As you travel the 52 counties of the Texas Plains Trail Region, take our Plains Trail kids and dog along with you—in our #C52NTX 1952 DeSoto Ragtop.

Print this graphic on heavy paper on your own color printer. Cut along the dashed line. Then glue a paint stir stick or popsicle stick to the back—and feature it in your photos of destinations all around the Plains and Panhandle.

Post your pix to www.Facebook.com/TexasPlainsTrail to share where you’ve been and what you’ve seen!
